ANIMAL CONSERVATION: SETTING PRIORITIES

Date: 15th of April 2008

Location: International Conference Center of
Geneva (ICCG)

According to the IUCN Red List, there were 16, 306 species that were threatened with extinction in 2007.

In this context, Earth Focus Foundation is organizing a youth debate whose issue is :

What endangered species should be protected as a priority?

Photo Credits:
Banggai cardinal fish (*Pterapogon kauderni*) – B Jones & M Shimlock
Western lowland gorilla (*Gorilla gorilla gorilla*) - M.Watson
Blue Poison Frog(*dendrobates azureus*) – Russ Mittermeier

WIN a CHF 30 gift certificate to the SWITCHER store for the BEST Power Point Presentation !

Inscription: until 7th April 2008

*** Endangered specie will be assigned upon registration ***
